Matters of Life and Death collects Picard's most compelling columns, covering a broad range of topics including Canada's right-to-die law, the true risks of the Zika virus, the financial challenges of a publicly funded health system, appalling health conditions in First Nations communities, the legalization of marijuana, the social and economic impacts of mental illness, and the healthcare challenges facing transgender people.

Matters of Life and Death - Douglas & McIntyre

Death is the end of individual existence. Funerals can celebrate a life that has been lived as well as acknowledge sadness at saying goodbye. Funerals are an occasion for the living. The absence of an afterlife makes this life more meaningful and means we need to make the most of the one life we have. We can live on after we die through our atoms, genes, works, and shared ideas and experiences.
