Culture and Anarchy (Rethinking The Western Tradition ...

In Culture and Anarchy, Matthew Arnold (1822-88) articulated a theory of culture that continues to influence thinking about the value of the humanities in higher education. He defined culture in idealist terms, as something to strive for, and in this respect his theory differs from its anthropological counterpart. Anthropology views culture not as something to be acquired but rather as "a ...

The disparagers of culture make its motive curiosity; sometimes, indeed, they make its motive mere exclusiveness and vanity. The culture which is supposed to plume itself on a smattering of Greek and Latin is a culture which is begotten by nothing so intellectual as curiosity; it is valued either out of sheer vanity and ignorance or else as an engine of social and class distinction,
