2000 Mazda 626 Problems and Complaints - 9 Issues

There are 3 Mazda 626's in my family, and we have had little trouble ('94 DX auto, '96 LX auto, and '97 LX std). Recently, the auto tranny shifted into neutral, locked up and would not move. No previous indication of problems (no leaks or power loss). At 66K miles the warranty was off and it was out of warranty.
