Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Medical Transcription: Techniques and Procedures 7th ...

Medical Transcription Techniques and Procedures with CD-ROM, Sixth Edition This is my second Medical Transcription book that I've ordered from Amazon. The books are great, but it is the CD Rom that is difficult to work on the computer so that you can use it. The reason I bought the books are to use the CD Rom for practice and to keep up with my skills. But overall the book is a great study guide ...
