Project MUSE - Medicine and Magic in Elizabethan London ...
Medicine in Elizabethan England. As a result of this broad spectrum of medical choices, a mixture of the theory of Humors, the Doctrine of Signatures, astrology, tradition, chemical science, and magic became the basis for popular medicine in Elizabethan England. One of the most socially acceptable and encouraged forms of charity was medical charity.

Elizabethan Period Beliefs and Superstitions
White Magic in Elizabethan England. These included the utterance of a magic spell, usually a Christian prayer, charms and/or herbs. But not all remedies were so straightforward... 'A man possessed by a devil could be cured by releasing a live bat in the room, whereupon the bat would carry the evil spirit away with him.
