Men, Militarism, and UN Peacekeeping: A Gendered Analysis ...

In her book *Men, Militarism & UN Peacekeeping*, Sandra Whitworth paints a disturbing yet not entirely convincing picture of United Nations operations as they pertain to peacekeeping missions. She argues that the so-called best practices of the UN and its third-party military forces have extremely detrimental and ultimately fatal implications that overshadow the missions themselves.

Striving towards gender parity amongst UN staff is a priority for the UN Secretary-General. At the UN Headquarters in 2012, 48 per cent of staff were women and 52 per cent men, with the most disparity showing at the mid and senior levels. In peacekeeping operations and special political missions, the figures are more challenging, with women ...
