Ancient Egyptian temples were meant as places for the gods to reside on earth. Indeed, the term the Egyptians most commonly used to describe the temple building, *wt-n r*, means "mansion (or enclosure) of a god". A divine presence in the temple linked the human and divine realms and allowed humans to interact with the god through ritual. These rituals, it was believed, sustained the god and ...

Today I found out where the word " amen " came from. Specifically, " amen " comes from the Hebrew word... \*wait for it\*... " m n " ( ). More interestingly, amen is one of the rare examples where a word has survived thousands of years and been adopted into a few different languages without any real modification to its meaning across time and those languages, dating back pretty ...
