Hairdresser - Wikipedia
In modern times, the term "barber" is used both as a professional title and to refer to hairdressers who specialize in men's hair. Historically, all hairdressers were considered barbers. In the 20th century, the profession of cosmetology branched off from barbering, and today hairdressers may be licensed as either barbers or cosmetologists.

The pompadour has been one of the most popular men's hairstyles for many years now. While the classic pomp is shiny and sculpted, the modern pompadour offers much more versatility. With shaved sides, a thick part, and a stubble beard, we highly recommend you ask your barber for this cut. However, just know it works best with thicker hair.
