Real Thing, a novel about plausible people and important ideas told with riveting cinematic clarity. The story's edge, and the economy with which Jodi Picoult hones it, positively gleam." — Portland Oregonian

Mercy Summary & Study Guide
- www.BookRags.com

This is the first time I have been terribly disappointed in one of Jodi Picoult's books! I have NO clue what this book was really about. It seemed to be two incomplete stories. Story One: The social debate over mercy killing and/or a persons right to chose end of life.

Book Review: Mercy by Jodi Picoult - Tree Pony
Despite kilt-wearing characters right out of Brigadoon, Picoult (Picture Perfect, 1995, etc.) persuasively explores a mercy killing in a small Massachusetts town and the subject of spouses who love too much. Wheelock has been home to the tradition-upholding MacDonalds and their hereditary chieftains since the 18th century, when the clan fled Scotland after the British defeated them in battle.

Mercy book by Jodi Picoult -
ThriftBooks

I have read many reviews on
this book I see a lot of
people did not rate it well
- maybe the fact that I
listen to this book painted
it differently for me but I
loved the book. Jodi Picoult
rarely disappoints me and
never writes about subjects
that are easy to swallow -
and Mercy was no different.

Mercy by Jodi Picoult, Paperback | Barnes & Noble®
The story of Mia and Cam got in the way of a potentially pithy debate about mercy killing. In fact, I found both characters highly annoying and wished that Allie had had the backbone to throw her philandering husband out of her life. I generally like Jodi Picoult's books, but this one fell short for me.
