Budget Welder Buying - SCA v Ozito - Gadgets  
Looking at buying a cheap Mig welder so I'm  
able to go some sheet welding on my camper  
trailer I've tried with my stick but its a  
basic unit without much adjustment and I keep  
blowing holes. I've looked at some MIG  
welders and don't want to spend \$600+ on a  
welder that won't get that much usage and  
would prefer not to hire one as I expect to  
use it every couple of months

## Gasless MIG Welding

At that time it was the only way retailers could sell Mig Welders to the DIYer. Solid Wire + Gas. By far the most common and best way to use a Mig Welder is with solid wire and a cylinder of gas. With this configuration, the Mig Welder pours gas over the weld pool as you weld, thus keeping Air/Oxygen from contaminating the weld.
