MIND INTO MATTER deals with concepts like creation and anti creation easily and clearly. The reader is lifted out of the system that we are all thrust into and indeed we are given an understanding of everything around us. If you really want to see the world thru new eyes, I recommend MIND INTO MATTER.

However, as we shall see here, these two worlds are joined together outside of space and time into a single worldview as intimately as space and time themselves marry in the Einstein-Minkowski theory of relativity. They are as deeply linked as mind and matter, as real and imaginal. The mind is not in the brain; the brain is not in the mind.
