This review doesn't contain spoilers for the first two books in the series. After The Mind Readers, I was really excited to read the sequel. And I have to say, The Mind Thieves didn't disappoint. There is something about this series that makes me go crazy because even after two books, I still don't know who the bad guy is.

### Mind Reader | Bed Bath & Beyond

Mind Reader : (what is written here as title of the book does not even remotely is in the book). Just a misleading title. If you are going to pick up this book to learn how to read mind, which was the reason for me, Don't bother. This book is just all about the shows and tricks done by lior suchard.
