It came quickly, actually faster than I was notified. I am able to see by reviewing it where my son's honors biology teacher is making up his worksheets and tests. Knowing the style of this teacher from having another child in his class in past years and now having the inside book information is a plus. Glad I ordered it.

Unfortunately we didn't have text books this year due to budget cuts and although we had some text info available online it wasn't enough. We needed something more than what information we had been given for the biology class. After inquiring with the teacher, she recommended this book Modern Biology.
