Our product range supports customer requirements, from highly standardized equipment to cutting-edge compression solutions for Liquefied Natural Gas and Gas-To-Liquids plants. Discover our

GE Oil and Gas - Wikipedia
Before oil and gas companies recover a single drop of oil, they have to deal with data. Oceans of data. NVIDIA and Baker Hughes, a GE company (BHGE), are partnering to use AI and GPU-accelerated computing to help the oil and gas industry distill this data in real time — and dramatically reduce the cost of finding, extracting, processing and delivering oil.
