Molly sets off on an adventure to rid the
kingdom of a maurading ogre while Mrs.
Mullett stays home, quietly sewing and
knowing. Molly is clever, and her biggest
obstacle is that the king and her father
think she can't do because she is a mere
girl. My three year old pre-reader loves
this book, because he can finish the
rhymes.

Molly Mullett

Published in 1975, Molly Mullett was one of Patricia Coombs' stand-alone picture-books - in contrast to When a greedy ogre begins stealing all the corn, pigs and gold he can carry away from her small village, young Molly Mullett decides to put a stop to it, proving once and for all that she's not the "sneezley, wheezley, sniveling girl" her father thinks her.
