Monkey Mind: A Memoir of Anxiety by  
Daniel B. Smith

Monkey Mind is a memoir of one  
man's life of anxiety and his quest to  
both understand and overcome it.

## Read Online Monkey Mind A Memoir Of Anxiety

Anxiety once paralyzed Daniel Smith, causing him to chew his cuticles until they bled. It has dogged his days, threatened his sanity, and ruined his relationships.

Monkey Mind : NPR

'Monkey Mind' is a very interesting book but let me make something clear—it's a memoir of the author and not anxiety. What do I mean? Well, the story is told through the eyes of the author (obviously) but focuses a lot on his life, including when he lost his virginity, his relationship with his mother, his career in fact-checking and writing, and eventually his relationship with his now wife, Joanna.

describe its effects and possibly identify a cure. Or, if not a cure, at least a temporary cessation of the worry that's been plaguing him since his youth.

“Monkey Mind,” by Daniel Smith - The New York Times

In *Monkey Mind*, Smith articulates what it is like to live with anxiety, defanging the disease with humor, traveling through its demonic layers, and evocatively expressing its self-destructive absurdities and painful internal coherence. With honesty and wit, he exposes anxiety as a pudgy, weak-willed wizard behind a curtain of dread and tames what has always seemed to him, and to the tens of millions of others who suffer from anxiety, a terrible affliction.

**MONKEY MIND by Daniel Smith |  
Kirkus Reviews**

“You don't need a Jewish mother, or a profound sweating problem, to feel Daniel Smith's pain in *Monkey Mind*. His memoir treats what must be the essential ailment of our time—chronic anxiety—and it does so with wisdom, honesty, and the kind of belly laughs that can only come from troubles transformed.” (Chad Harbach author of *The Art of Fielding*)
