liked Beach Girls a heck of a lot better than Montana Sky as far as a movie goes, at least it stuck to some of what the book wrote. Perhaps 2 hours just wasn't long enough to do justice to a truly wonderful book.

Montana Sky Justice was a good story with really bad characters and really good characters. This is a time when good was good and bad was bad and you knew where you stood. That being said this book is one of my least favorites of the series as there was very little romance between the hero and heroine.
