Morrison and Boyd Organic Chemistry – Book review ...

Highly recommended for preparation of Organic Chemistry, Organic Chemistry book by Morrison and Boyd is quite good for JEE preparation and preparation of other engineering entrance exams and medical entrance exams. The best thing about the book is that it turns even the dry and arcane subjects into something that is easily understandable.

pharmarkett.files.wordpress.com

This really did a good job getting me ready for my grade 12 organic unit, just by reading the first few chapters. I found the explanations to be much clearer and more concise than those in my school-issued textbook (Foundations of Chemistry, second edition).
