Murray's Guide to the South Klondike Highway
Murray's Handbooks for Travellers were travel guide books published in London by John Murray beginning in 1836. The series covered tourist destinations in Europe and parts of Asia and northern Africa. According to scholar James Buzzard, the Murray style "exemplified the exhaustive rational planning that was as much an ideal of the emerging tourist industry as it was of British commercial and ...

Guide Assembly, Metal Height [740299MA] for Murray Lawn ...
We've used Murray's guide the past two years and paid for the updated version for this year's trip. It's extremely helpful and easy to use. He's marks every spot by the mile maker so it's very easy to find what you're looking for. We find it's better to drive straight out to Emerald lake and then make all of the scenic stops on the way back.
