Music And The Racial Imagination
Representing an unusually broad range of academic disciplines and geographic regions, they critically examine how the imagination of race has influenced musical production, reception, and scholarly analysis, even as they reject the objectivity of the concept itself.

Music and the Racial Imagination : Ronald M. Radano ...
Just around Midnight presents an alternative version of this history. *In the shadow of racism, black and white artists shared an approach towards tradition and self-expression that favored innovation and improvisation, and influence and admiration among musicians of both races was mutual and ongoing.*

Music and the Racial Imagination - Ronald M Radano, Philip ...
Just around Midnight reveals the interplay of popular music and racial thought that was responsible for this shift within the music industry and in the minds of fans. *Rooted in rhythm-and-blues pioneered by black musicians, 1950s rock and roll was racially inclusive and attracted listeners and performers across the color line.*

Rubber Souls: Rock and Roll and the Racial Imagination
Just Around Midnight: Rock and Roll and the Racial Imagination. *By the time Jimi Hendrix died in 1970, the idea of a black man playing lead guitar in a rock band seemed exotic. Yet a mere ten years earlier, Chuck Berry and Bo Diddley had stood among the most influential rock and roll performers.*

The Possibilities and Failures of the Racial Imagination
visual imagination of race is strangely and powerfully elided with the audible imagination of sound. The second story is of music's own resistance to such elisions, and examines a transatlantic community of artists including Bob Dylan, Sam Cooke, the Beatles, Aretha

Just around Midnight — Jack Hamilton | Harvard University ...
Chloë Bass: This conversation is situated around the idea of the imaginary: The Whitney event was hosted by the Racial Imaginary Institute, which claims to operate in the service of recognizing race as a powerful construct. It addressed the imagination of an artist, Dana Schutz...

Music and the racial imagination (Book, 2000) [WorldCat.org]
The editors argue that music lies at the foundation of conceptions of race. Their contributions to this book make a case for that view, but the contention is sometimes more asserted than proven, and there are some crude generalizations that blunt the argument (e.g. "the European racial imagination", p. 27, as if there could be but one European way of thinking about race).

Project MUSE - Music and the Racial Imagination (review)

The first is of audience and discourse, and the processes through which a music born of interracialism came to understand whiteness as its most basic stakes of authenticity. This is a story of the deeply ideological underpinnings of genre formation, and the ways that the visual imagination of race is strangely and powerfully elided with...

Music and the Racial Imagination, Radano, Bohlman
Representing an unusually broad range of academic disciplines and geographic regions, they critically examine how the imagination of race has influenced musical production, reception, and scholarly analysis, even as they reject the objectivity of the concept itself.

Music and the Racial Imagination - Google Books
The essays are united by their attention to the manifestations of the "racial imagination," defined in the introduction as "the shifting matrix of ideological constructions of difference associated with body type and color that have emerged as part of the discourse network of modernity" (p.
