Music | Oxford University Department for Continuing Education

How do some schools get music so right while others get it so wrong? Janet Mills, a former HMI and teacher, draws on work in more than 800 schools and published research as she seeks to help schools improve their practice - no matter how good it is already. Successful teaching, she argues, is creative, uplifting, enabling, and, above all, rooted in music.

Oxford School of Music

"The Oxford music course suits me because it is broad and varied, but also has lots of space to make it my own. For my final exams I am sitting papers in broad aspects of music history (from English renaissance polyphony to electronic music), analysis, and issues to do with how we study music but I am also writing a dissertation about the music in a primary school near Oxford, essays on ...
