Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

Mysticism and the new physics : Talbot, Michael, 1953 ...  
My study of physics-mysticism parallelism is a vehicle for exploring epistemic strategies. I thus conclude Part I by sketching a materialist, emancipatory epistemic strategy. My conclusion brings together a number of ideas formulated by myself and others over the past several years, but stops short of a systematic synthesis.

Amazon.com: Customer reviews: Mysticism and the New ...  
Here the parallels between modern physics and Eastern mysticism are most striking, and we shall often encounter statements where it is almost impossible to say whether they have been made by physicists or by Eastern mystics. When I refer to 'Eastern mysticism', I mean the religious philosophies of Hinduism, Buddhism and Taoism.
