Safecracking Books - Safetecnia

I have been interested in safes ever since I finished the Foley Belsaw Locksmithing course back in 1994. I bought several safe manuals back then and did a ton of reading. I came to this website and it sparked my interest back into it. I am waiting on a S & G 6730 mounted cutaway lock and the National Locksmith Guide to Manipulation in the mail.

autolocksmithusa.com

The National Locksmith guide to DRILLING SAFES One of the most expert safemen in the country, Carl Cloud has written a very important book on safe opening. One of the most critical parts of opening a safe is knowing where to drill the holes.
