whalebone). The nw region is best known for its totem poles, w in California, basket-weaving and pottery were specialities.

Native American art - The function of art | Britannica

Most indigenous North American art dates from the medieval period onward; little survives from antiquity. H578 This is due partly to the sheer passage of time , and partly to the fact that farming cultures of North America peaked in size during the medieval period (ca. 500-1500). 41 Consequently, artistic production was especially strong during this period.
