Brown joined the United States military right after the bombing of Pearl Harbor. He was one of the original 29 code talkers, who were the ones who actually developed the code. Later on, for a time, Brown served as a member of the Navajo Tribal Council. Brown was a Latter-day Saint.

Navajo Code Talker William Tully Brown dies at 96

In 1942, the Marine Corps found a new way to keep their communications secure with the Navajo Code Talkers. Marines from the Navajo tribe began to send secure voice transmissions based on their native language. Since only a small group of Americans spoke Navajo, it was impossible for the enemy to gain intelligence from any intercepted messages.
