It is basically a search engine for that lets you search from more than for the obsolete books for free, especially for historical and academic books.

Necroscope Invaders

Necroscope is the title of a series of horror novels by British author Brian Lumley.. The term necroscope, as defined in the series, describes someone who can communicate with the dead (coined Deadspeak later in the series).Unlike necromancers, who here extract the knowledge of corpses, a necroscope can communicate with them as equals: peacefully and without ...
