### Hidden Lives Revealed - Ragged Schools, Industrial Schools ...

Ragged schools were charitable organisations dedicated to the free education of destitute children in 19th century Britain. The schools were developed in working-class districts. Ragged schools were intended for society's most destitute children. Such children, it was argued, were often excluded from Sunday School education because of their unkempt appearance and often challenging behaviour.

#### Ragged school - Wikipedia

Industrial Schools . Initially called 'ragged schools', industrial schools began to spring up in England in the early nineteenth century. Reformatory schools were established for children who had been found guilty of a crime, conversely industrial schools were set up not for young criminals but for children who were destitute or who were thought, by dint of their circumstances or temperament ...

#### Newcastle Report Vol. I (1861)

An Industrial Feeding School was opened in Aberdeen in 1846. Industrial schools, like the contemporaneous ragged schools , were set up by volunteers to help destitute children. Their philosophy differed in that they believed that an education was not enough: these children needed to be removed from the harmful environment of the street, trained to be industrious, and given a trade they could ...

#### Industrial school - Wikipedia

Newcastle-upon-Tyne, Northumberland [Bibliography] Up to 1834. A parliamentary report of 1777 recorded local workhouses in operation at Newcastle All Saints (for up to 100 inmates), Newcastle St John (26), Elswick in St Johns (40), Westgate in St Johns (12), and Byker (10).

#### From stately mansion to bad boys' school ... and now ...

The Industrial Schools Act. At first like the ragged schools the Industrial Schools were run on a voluntary basis. However in 1857 the Industrial Schools Act was passed. This gave magistrates the power to sentence children between the ages of 7 and 14 years old to a spell in one of these institutions.

#### The Workhouse in Newcastle-upon-Tyne, Northumberland

Ragged Schools provided free education for children too poor to receive it elsewhere. Imogen Lee explains the origins and aims of the movement that established such schools, focusing on the London's Field Lane Ragged School, which Charles Dickens visited.

#### Newcastle Ragged & Industrial School - MISSING-ANCESTORS ...

Newcastle Ragged School became an Industrial School as well. This book follows the Newcastle school through the eighty-six years of its life, describing daily triumphs and disasters as well as government policy. It appears that the school was a great success for boys but for girls the experience was different and there was a damning report in 1909.
