Tactical Riot Helmets for Riot control and corrections ...

NIJ standard 0106.01 is the ballistic standard for bullet proof helmets and has nothing to do with NIJ standard 0101.06, which is the standard for bullet proof vests and hard armor plates. The standard is from 1981, and has become very old, which is why many manufacturers test "beyond" the standard, as the materials today have become much lighter and stronger than they were in 1981.
