Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

### Critical Focus: Getting The Most Out Of Your D800 from Nikon

The superior resolution of the D800/D800E makes even slight blur resulting from camera shake appear more obvious. Choose a shutter speed slightly faster than would be selected when photographing the same subject with another camera. A fast shutter speed has captured details of the lace veil and brought out individual eyelashes.

The D800 and D800E are the same camera, differing only in having a slightly different filter in front of their sensors. Therefore, everything about how they work is the same. I only mention one or the other throughout this guide for the sake of not having to type them both all the time. My apologies for you needing this guide at all.

### NIKON D800E USER MANUAL Pdf Download.

The D800/D800E allow bracketing up to 9 frames and up to 1 stops (EV) apart. The ISO button allows quick change of ISO if you use the rear dial and the front dial allows switching Auto ISO on and off. While I like the ability to quickly turn Auto ISO on and off, I typically end up mapping the Fn (Function) button on the front of the camera to Auto ISO settings, so that I can make changes to maximum sensitivity and minimum shutter speed (see my notes below under Custom Setting Menu).
