However, in the Noise Act "night-time" is specified as being between the hours of 11pm and 7am; and noise is particularly significant in terms of likelihood for disturbance between these hours. Clearly, the later the noise the more likely that it will be to disturb and annoy.

Noisy At The Wrong Times

I greatly enjoyed Michael Volpe's biography 'Noisy at the wrong Times'. His story is that of a first-generation Italian immigrant family with an absent father and Michael is the youngest of four brothers. His mother Lidia works herself into the ground to support and protect her boys on their council estate.
