to use system. Before you begin This guide is intended for installation technicians.

StarTalk - Startalk Flash Quick Reference & User Guide

Ask a lot of questions and take notes. If they're cool (like me), they'll throw in an administrator's manual on CD. I guarantee this will be money well spent. Although Nortel is one of the easiest & user-friendly voicemails to program, if you've never programmed voicemail before, it'll make your eyes bleed.
