From this prodigiously talented writer, a stunningly original "life" of F. W. Murnau, the German director. In the history of cinema, this novel's protagonist and subject ranks as a founding father, not least for his legendary horror film, Nosferatu. But here he is revealed as a hermetic genius who turns, tragically, against himself, becoming in a sense his own vampire.

After Shepard's exhilarating first novel, Flights, this book comes as something of a disappointment. Set during World War II, it is the curiously static story of a bomber crew stationed in England. Though Shepard goes to great lengths in delineating a realistic portrait of these men, the book never takes off.
