As a psychologist with psychoanalytic training (relational orientation) and a dedicate student of Zen, Magid's "Nothing is Hidden" as well as his other work have been more helpful in my attempts to integrate psychoanalysis and Zen than anything else that I've come across. Wonderful, clear, and very human; just what the doctor ordered.

Nothing Is Hidden The Psychology

Nothing Is Hidden explores many rich themes, including facing impermanence and the inevitability of change, working skillfully with desire and attachment, and discovering when "surrender and submission" can be liberating and when they shade into emotional bypassing.
