Now You're Talking by Trevor Cox review - conversation ...

Being able to speak is what makes us human. If you've ever felt the shock of listening to a recording of your own voice, you realise how important your voice is to your personal identity. We judge others - and whether we trust them - not just by their words but by the way they talk: their intonation, their pitch, their accent. *Now You're Talking* explores the full range of our voice ...
