Virginia Woolf's essay 'On Being Ill' can teach us how not ...

The person making the proposal, who also argues that immortality is impossible (even if uploading minds to computers is possible), draws support from Virginia Woolf's 1926 essay "On Being Ill." When revisiting my story today, I was reminded of Woolf's essay and was struck by how the meaning and resonance—that is, my experience—of her words were affected by reading them under COVID ...

On Being Ill Virginia Woolf - ModApkTown

This is the first sentence of Woolf's 1926 essay "On Being Ill," and it's hard to think of a verbal array whose structure better mimics both its subject and the larger text of which it's part: precisely because, despite its exquisitely shaped adventure, the sentence finally fails to hold itself together.

On Being Ill - WordPress.com

On Being Ill is an essay by Virginia Woolf, which seeks to establish illness as a serious subject of literature along the lines of love, jealousy and battle.Woolf writes about the isolation, loneliness, and vulnerability that disease may bring and how it can make even the maturest of adults feel like children again.

Virginia Woolf: A Story of Silenced Trauma - Exploring ...

poetic meditations on illness and consciousness. On Being Ill (recently re-issued) is a timely reminder that not only was Virginia Woolf a great novelist and writer of short stories, she was also an essayist of amazing stylishness and wit. Her models were the classical essayists of the eighteenth and early nineteenth century - Addison, Steele, Hazlitt, and Lamb - all of whom she had read ...

Revaluing Illness: Virginia Woolf's "On Being Ill" - S Y N ...

In fact, an interesting use of "On Being Ill" would be to juxtapose its claim that in 1930 the body was not taken seriously as a literary theme, with our contemporary obsession with the body. In her pages that describe the world-of-the-recumbent, Woolf teaches eloquently the concept that the ill actually live in a different world from the well.

On Being Ill - Virginia Woolf, 1993

Virginia Woolf on Being Ill and the Strange Transcendence Accessible Amid the Terrors of the Ailing Body “Considering how common illness is, how tremendous the spiritual change that it brings, how astonishing, when the lights of health go down, the undiscovered countries that are then disclosed... it becomes strange indeed that illness has not taken its place with love and battle and ...

On Being Ill Quotes by Virginia Woolf

Virginia Woolf (1882-1941) knew illness intimately. She lost her mother at the age of 13, and the scenes of the illness that took her away lingered in Woolf's mind for a long time. In 1906, she lost her favourite brother, Thoby Stephen, to typhoid fever (an illness he had contracted after a trip to Greece). He was only 26 at the time.
