The Far Side Comic Strip by Gary Larson - Official Website ...

"On the Far Side of the Mountain" (OTFSOTM) is the sequel that takes place about a year later. Amazon does a great job of capturing what the story is about so I will not go over the basics of the plot. However, "On the Far Side of the Mountain" is unable to recapture all of the original's charm.

What's on the far side of the Moon?

The Far Side is a single-panel comic created by Gary Larson and syndicated by Chronicle Features and then Universal Press Syndicate, which ran from December 31, 1979, to January 1, 1995. Its surrealistic humor is often based on uncomfortable social situations, improbable events, an anthropomorphic view of the world, logical fallacies, impending bizarre disasters, references to proverbs, or the search for meaning in life. Larson's frequent use of animals and nature in the comic is popularly attri
