Opening the Hand of Thought – Foundations of Zen Buddhist

...

When we are aware this separation and interaction is happening, we stop doing it and return to just sitting. To stop doing this is called letting go of thought, or in my teacher's expression, "opening the hand of thought." We return to this oneness or the reality before separation between subject and object.

Opening the Hand of Thought | The Reiki Blog

Wonder is how we open "the hand of thought." It can lift our minds out of the mud of rational resignation and open them into wild relational cart wheels of insight. Wonder is the place where prejudices fall away and our capacity to notice life increases. You have known how to do it since you were a child.
