Pain Killer An Empire Of

In this updated edition of Pain Killer, Barry Meier breaks new ground in his decades-long investigation into the opioid epidemic. He takes readers inside Purdue to show how long the company withheld information about the abuse of OxyContin and gives a shocking account of the Justice Department's failure to alter the trajectory of the opioid epidemic and protect thousands of lives.

Acces PDF Pain Killer An Empire Of Deceit And The Origin Of Americas Opioid Epidemic

Origin of America ...

'Pain Killer' is a compact 198-page explanation of how the OxyContin drug epidemic unfolded. The very first paragraph in the book took my breath away. It describes a few families' struggles because of OxyContin but focuses mostly on Purdue Pharma and how they marketed a drug knowing full well their little pills were highly addictive and wreaking havoc on communities.
