You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Rachel Corrie - Wikipedia
Human rights in Israel refers to human rights in the State of Israel both legally and in practice. The subject has been evaluated by intergovernmental organizations, non-governmental organizations and human rights activists, often in the context of the Israeli–Palestinian conflict, the wider Arab–Israeli conflict and Israel internal politics. Israel is a multiparty parliamentary democracy. It was described in its Declaration of Independence as a "Jewish state" – the legal definition ...
