*Paper Triangular Prisms Tutorial - YouTube*

*I highly recommend printing the nets on stock paper rather than regular paper. I have tried it both ways, and regular paper is just too flimsy. After printing, simply cut out the 3d shape nets on the solid lines.. If you've printed on white card stock as I have, take some time to get creative and color or decorate the shapes before assembling them! This could make a great math art project!*

*Paper Triangular Prism Template*
