As your teacher reads the statements, mark whether you think

statement is true (T) or false (F) in the Me column. Then discuss

your answers with your group and mark the group's decision in

Group column. As you read, look for information that will clarify

whether the statements are true or false.

The practice of guided reading is based on the belief that the  
optimal learning for a reader occurs when they are assisted by  
educator, or expert 'other', to read and understand a text with  
clear but limited guidance. Guided reading allows students to  
practise and consolidate effective reading strategies.
