Animal Breeding: Objective and Methods of Animal Breeding  
I didn't always know a lot about Dachshunds. I was still pretty clueless even after owning Chester for 8 years. It wasn't until I adopted Gretel, and started this blog, that I started researching and learning as much as I could about the breed. Dachshunds are notorious for having back problems. Many Dachshunds end up fully or partially paralyzed, or with mobility limitations and pain related ...

Heredity - Science Olympiad Student Center Wiki

In statistics, sampling bias is a bias in which a sample is collected in such a way that some members of the intended population have a lower sampling probability than others. It results in a biased sample, a non-random sample of a population (or non-human factors) in which all individuals, or instances, were not equally likely to have been selected. If this is not accounted for, results can ...
