Peopleware, 3rd edition - SlideShare

Peopleware is classic in software management written by two well-respected consultants and leaders in the field. With their book, DeMarco and Lister crafted a collection of short essays, i.e. chapters, supporting their argument that in order to have greater success with software development,

Peopleware: Productive Projects and Teams (3rd Edition ...

Peopleware by Tom DeMarco and Timothy Lister is a book about managing software teams and perhaps also managing knowledge workers. The authors were interested in writing books about management because they experienced a lot of mismanaged teams themselves.

Peopleware: Productive Projects and Teams, 3rd Edition

“Peopleware is the one book that everyone who runs a software team needs to read and reread once a year. In the quarter century since the first edition appeared, it has become more important, not less, to think about the social and human issues in software development. This is the only way we’re going to make more humane, productive workplaces.
