Comb through the reports and search for any errors. If you find some, file a dispute to correct it immediately. Also, make sure to look for past-due accounts. Then, negotiate a settlement that removes them from your credit report. After your initial credit report check, you can begin the next year by monitoring one credit report every four months.

3 Ways to Raise Your Credit Score in 3 to 6 Months - wikiHow

Hello, I recently raised my score about 100 points within 3 months.. so I wouldnt say 250 points in 6mon. is impossible. I was able to do this by paying off ALL of my open collections, disputing items that were already paid but still showing as an open/outstanding account....My scored jumped 100+ points just by doing that... I then obtained a secured visa credit card from my bank in the amount ...
