GENDER ROLES AND INEQUALITIES IN POLITICAL

Author(s): Thompson, Tiffany R | Abstract: Most theories of nationalism have taken a supposedly gender neutral approach that have resulted in a pattern of minimizing women's contributions to the nation in scholarship. However, culturally specific conceptions of gender difference inform nationalisms and are produced by the nation as seen in the political exclusion of French women during the ...

Speakers dismiss bid to block Parliament in gender law row ...

The sets of relations based in gender that define a person elicit a similar pattern in the sets of relations placed within a political context the defines nations and national identity. The binary, heterosexual relationship between woman and man can be viewed through a similar perspective when placed within a binary, nationalistic framework between the East and West.
