Plantronics C052 is one such  
offering from the brand.

With it, you can have one  
ear on the call while the  
other ear can be kept open  
for office conversations.

The C052 covers the left ear  
with a comfortable cushion.

It has been designed to  
remove ambient noise and has  
a lightweight design at only  
2.61 Oz.

Well, you noticed that the model has the word "System" in its name. That's because the headsets aren't standalone: as our Plantronics C052 manual explains, they also come with a base that the set needs to interact with in order to do anything. Where can I download the PDF version of the Plantronics C052 Wireless Headset System user manual?
