replace it. The tiny lithium-ion battery is soldered in the wireless headset, so you cannot replace it.

Plantronics CS70 Wireless Headset | Factory Outlet Store

Most people would likely buy the CS70 bundle because the handset lifter is almost a must if you have a wireless headset. I owned an earlier version of a Plantronics "wireless" headset (the kind that had the headset wired to another unit about the size of a pager that had all the electronics and had to be clipped to your belt or what-have-you) so I already owned the lifter.

What is the CS70N headset?
I've had no problem with my
Plantronics Voyager headset
- I love it, mater of
factly, I'm lost without it.
I find the ear buds to be
very comfortable, more
comfortable than any I've
had in the past - clarity is
the best, love the fit. I've
never tried to put the
eartips on another pair of
headsets.
