### Solved: HL10 Handset Lifter and Cisco 7962 - Cisco Community

The HL-10 lifts and lowers the telephone handset when the user depressed the talk button. It has a remote ring detect feature that rings the remote unit when the corded telephone rings. The HL10 Handset Lifter adds the convenience of remote ring notification and one-touch answer and ending calls while away from the desk by lifting the deskphone ...

### Plantronics HL 10 Handset Lifter - 60961-32 - Headsets ...

This does not work with the Plantronics HL10 lifter because you still have to press a button on the 7960 itself to tell the 7960 'please take voice from the headset mic instead of the handset mic.' There is, apparently, no way to make it default to headset without a button press, or a way to have it take voice from both microphones simultaneously.
