The Flirtation Submissive #10 Tara Sue Me It's been awhile since I have read any of Tara Sue Me's work and she hasn't lost her skill. This was a great D/s story about Simon and Lynne. This is book 10 of the series but can also be read as a standalone. This book does have lots of adult content including some BDSM scenes.

Restaurant Santa Cecilia is just straight, no frills burritos and tacos. Your standard rice, beans, and protein options are there, with the choice of green (mild) or red (hot) sauce. They'll ask you if you want onions and cilantros, but that's all the customization you get. I think I would have preferred my carne asada a little more seasoned.

I chose the chocolate peanut butter one, which was a creamy (yet dairy free) mixture of cold brew, PB, and chocolate, with a touch of agave, all swirling together for flavors that made me drink it a little too fast. (I'm going to get all Oliver Twisty "Please, sir, I want some more" in here.)
