conduct applied research and evaluations, helping these agencies confront complex crime and policing problems or concerns and providing agencies with reviews of evidence-based strategies that could be leveraged to improve responses to particular problems.

Research | National Police Foundation

The research occurred within the context of the agency's everyday crime reduction efforts, so is a test of realistic police practice. That is, the police department had identified and responded to micro-time hot spots systematically for many years.

Police Practice and Research: An International Journal ...

The twenty-first century has brought new challenges for police, in Australia as in other Western democracies. Terrorism, globalisation, large-scale population movements, and entrenched social problems pose crime control threats that are increasingly seen as beyond the scope and capabilities of traditional policing. New agencies have been established, private policing has boomed, and ...
